

RHODE ISLAND SCHOOL OF DESIGN

2023-2024 Housing and Dining License

For students living on campus during the academic session (September – May), this license is binding for the entire 2023-2024 academic year. Rhode Island School of Design (“RISD” or “College”), as an artistic and academic community, intends to provide a residential atmosphere where art, design, study, and learning can take place alongside healthy recreation, relaxation, and social development. This balanced atmosphere is dependent upon the willingness of all RISD community members to associate in such a way that personal freedom and responsibility co-exist.

Any student applying to, or having moved into, a RISD residential facility, acknowledges therefore, the need for socially responsible behavior. They recognize the role of the Residence Life Staff in promoting such behavior and will accept reasonable disciplinary action for disregarding such behavior.

The student agrees to abide by all rules and regulations pertaining to Residence Life and Dining Services during the period covered by this agreement as outlined herein, and within the RISD Code of Student Conduct policies related to Residence Life available online at <http://policies.risd.edu/student-life-policies/>.

Students do not need to submit a signed copy of this form. The act of submitting a housing application of any type, or the act of accepting entry to any residence facility, indicates acceptance of the terms of the Housing License.

Academic Year Housing Extensions

Generally

Residence Life may offer students the opportunity to remain in their room outside of the standard license dates and occupancy periods. Students who request and are granted approval to arrive early, leave late, or stay over the holiday break as designated by the Registrar’s Office may do so following the pricing guidelines below. Any student granted a housing extension is expected to abide by the same policies and expectations as established during the standard occupancy periods. On-campus dining and other services may not be available during their extended stay, as service hours are designed to coincide with the Academic calendar.

Requesting an Extension (Early Arrival or Late Departure) and Pricing

Students staying late will only be charged for housing. Students who are approved for a late departure will be responsible for providing their own meals.

Early Arrivals Extension:

Early arrival requests are approved based on available and prepared spaces on-campus. Students that are approved to return to campus early from Winter Break will only be allowed to return one (1) day earlier for the daily rate. Medical Accommodation Policy

Any student who has a documented medical, psychological, and/or disability related condition(s) may apply for housing accommodation. The submitted request and supporting documentation are reviewed carefully by the Medical Accommodation Committee monthly. Documentation consists of a written evaluation by an appropriate professional (not a relative of the student) that explains the nature of the condition and why the condition results in a need for housing accommodation(s). Students must complete all forms in their entirety and submit them along with the necessary documentation each academic year (1) before the deadline, prior to room selection, or (2) soon after identifying the need (based on date of diagnosis, change in status, etc.) to the Residence Life Office. Part of the committee's consideration is the written documentation by the treating professional. A follow-up conversation with the student and the treating professional by a member of the Health Services and/or Counseling staff may be necessary in some instances. Residence Life and RISD cannot guarantee that students will be provided their preferred accommodation choices, but if a student's preferred choice is not granted, then RISD may provide equally effective alternatives subject to limitations as outlined in the Student Handbook or online at http://www.risd.edu/Students/Wellness/Disability_Support/.

Given that the health and wellbeing of our community are profoundly important, RISD takes special care to honor the dietary needs and customs of individual students. Specific medical accommodation requests related to meals should be addressed first with Disability Support Services via email, disabilitysupportservices@risd.edu. After informing Disability Support Services, accommodation requests would be submitted to the Menu Manager, specialorder@risd.edu. Medical accommodation related to meal plans must have accompanying professional documentation sent to Health Services, health@risd.edu. RISD strives to work with students to ensure that they can successfully participate in the communal dining program to enrich their student experience.

Emotional Support, Therapy, and Service Animal Policy

Students with medical documentation supporting their need for an Emotional Support, Therapy, or Service Animal may be allowed to have such an animal in RISD Housing Facilities if the following conditions are met: 1) the student must have approved medical documentation supporting their need for the animal, 2) the animal and owner must comply with the conditions outlined in the Residential Animal Policy, and 3) All room/suitemates must sign an agreement to live with the animal. Not all RISD housing is suitable for animal care. RISD reserves the right to relocate students to ensure the health and safety of the overall residential community, residential animals, and owners. Only one (1) ESA is permitted per apartment, room, or suite.

As stated by law, only service animals are allowed in non-residential facilities on campus, and must be escorted by the student at all times. Students may not bring support or therapy animals into campus buildings or dining venues and will be asked to remove the animal if present. Please see the Residence Life policy [here](#).

15 West Fitness Center Acknowledgement

The 15 West Residential Hall contains a fitness center for residents to utilize. Prior to use of the fitness center, students must review and agree to the [15 West Fitness Center Acknowledgement](#).

Occupancy and Vacancy Guidelines

1. A housing application or accepted license does not guarantee any specific assignment. Assignments will be made according to the procedures established by Residence Life. Under this license, students may live in any room type managed by RISD Residence Life.
2. Students wishing to change their room assignment must obtain prior approval of the Residence Life office. The College reserves the right to reassign student rooms at any time during the residence period for any reason the College deems appropriate. Additionally, the College may utilize any student rooms in any manner deemed necessary as conditions warrant, including changing normal occupancy levels.
3. Students who live in a shared room with one (1) or more vacancies must maintain the room in a way that allows for a roommate to move in at any time. Combining beds; using extra desks, dressers, or closets; removing furniture; over-decorating the room; or keeping the room in a state of disorder which deters potential roommates is strictly prohibited. Move-in ready is defined as a state in which a potential roommate could begin moving things into a room immediately without necessary rearrangement or relocation of personal property or additional cleaning. For example, if a student were to arrive in a room to find the second bed dismantled or a television on the second desk, this would not be considered move-in ready.
4. Students who do not occupy their assigned rooms by the first day of class and have not notified the Residence Life Office prior to that day of their intended late arrival may be reassigned to a different space at the discretion of the College or possibly lose their housing assignment on-campus.

However, failure to occupy your assigned space on campus does not terminate your housing agreement.

5. Residential facilities are to be used as living quarters and in a manner as to comply with all federal, state, and municipal laws and the rules and regulations of the College, most particularly the rules and regulations contained in Residence Life policies. Residents shall not engage in disorderly conduct, make or permit disturbing noises, including without limitation to the loud playing of radios, televisions, stereos, or musical instruments, nor perform or permit any acts that in the College's judgment would unreasonably interfere with the rights, comfort, or convenience of other residents. Subletting of your room and/or lending out your room key to another student or non-student are strictly prohibited. Students may not host guests for any type of fee or exchange of goods and/or services.
6. Students who hold key/card access rights to a room are expected to reside in that room consistently. The College may also assign a new roommate at any time during the academic year when a room has a vacant space.
7. Items and materials prohibited from possession and/or restricted in use in housing include, but are not limited to candles and other sources of open flame, firearms, illegal knives or other weapons, improperly stored volatile solutions, explosives, alcohol, controlled substances or prescription drugs not accompanied by a prescription, drug paraphernalia, or other dangerous materials. Smoking or vaping is not allowed in any residential facility. All animals are prohibited from residential facilities, except as noted. Any unapproved animal found in the residence halls must be removed within twenty-four (24) hours. The resident may be charged a cleaning and restoration fee for obtaining an animal in the RISD residence halls. The use of electrical heating or cooling devices, including space heaters (provided by RISD if needed), air conditioners, or refrigerators (aside from those provided with the living unit) or other items that violate conditions outlined in residential rules and regulations are all strictly prohibited. Any such prohibited animals, materials, devices or objects may be impounded and fees assessed. Further clarification of these prohibitions may be found in published Residence Life policies.

Dining Services Guidelines

1. All RISD rules, policies and procedures apply within all of the RISD Dining facilities.
2. Dining allotments reset on January 19, 2024..
3. Meal hours and food service locations may be adjusted by the College as circumstances require.
4. RISD ID cards must be presented when making a Dining purchase. RISD ID cards presented by someone other than the person pictured (without Health Services approval) will be confiscated. An email will be sent to the owner of the ID card to retrieve ID in the Dining Services Office. If the ID card is not picked up by the dining venue closing time, it will be given to Public Safety or Campus Card Services.
5. Meals and dining points do not roll over from semester to semester.
6. Meals and dining points balances are available on the myRISD app.
7. Meals and dining points are non-transferrable. Students wishing to "treat a guest" must be present and use a guest meal, which are available on all meal plans, or pay for their guest with an alternate tender.
8. Meals and points may not be used to pay for fines, outstanding balances with student accounts, equipment, art supplies, or anything outside the standard offerings of the dining facilities.
9. Meals and dining points may not be transferred or donated to any individual or organization unless otherwise stated by Dining Services.
10. The removal of any dining hall property from any of the dining halls, which include but are not limited to: plates, bowls, cups, silverware, and/or condiments is prohibited.
11. Food and beverage removed beyond the cashier stand without payment is considered theft. If a student is purchasing a meal to-go, they should put food products in an Ozzi to-go box (green). Students who engage in theft will be reported to the Student Conduct Office who may issue disciplinary action.
12. Only RISD recognized groups are allowed to distribute written materials or make presentations in the dining areas, with prior permission.
13. Non-employees are not permitted in kitchen and food preparation areas, unless under the supervision of a Dining employee.
14. For further explanation of the rules and regulations stated above, consult the Student handbook or contact Dining Services at (401) 454-6360 or dining@risd.edu.
15. RISD is not liable for damage or loss of any personal property brought into RISD Dining facilities.
16. As stated by law, only service animals are allowed in dining facilities on campus and must be escorted by the student at all times. Service animals may be excluded from the facilities if their behavior presents a direct threat to the health or safety of others. Students may not bring support or therapy animals into venues and will be asked to remove the animal if present.
17. Students can use up to two (2) meal credits per meal [period in the Cafés](#).

General License Terms and Conditions

1. The College, at its discretion, may enter and search your room and its contents, including personal possessions, to verify occupancy; to perform housekeeping and maintenance functions; to investigate and/or find and seize evidence of, potential illegal activity or violations of College regulations; for health and fire safety inspections; and for any other reason and in any other situation in which the College, in its discretion, deems it necessary to do so in order to protect the interests of the College or the general welfare of one or more of its students.
2. All students are required to reside in on-campus room and board during their first and second year at RISD or until junior status is achieved. Students who are married, over twenty-one (21) years of age by September 1, or who live with a parent or guardian within commuting distance of campus may request a waiver of this requirement (please contact Residence Life for details). Academic year students who reach junior status or decide to become a commuter student **mid-year** remain bound to the license cancellation terms (as it is a full year agreement).

3. At any time, the College may reassign or remove from housing those who exhibit disregard for the residential community, the terms and conditions of occupancy, or other applicable rules and regulations. The College may terminate this agreement and take possession of the room at any time. Any of the student's possessions remaining on the premises forty-eight (48) hours after such termination, or immediately following the end date of this agreement, shall be deemed abandoned and costs incurred in the removal of the property will be charged to that student.
4. Students are not permitted to make or authorize modifications to the buildings or their contents. Room painting or removal of college furniture from the room is not permitted. The room must be vacated in the condition in which it was found upon assuming occupancy. Students must at all times use in a reasonable manner and keep in clean condition all electrical, plumbing, sanitary, heating, ventilation, air-conditioning or other facilities, fixtures, and appliances in the residential facilities. No refuse of any type or other items belonging to the student will be allowed in the hallways or common areas at any time. Students shall adequately package, store, or contain refuse and regularly dispose of it in a receptacle made available at each residential facility. Charges will be assessed for violation of these regulations and for damages or vandalism to the room, apartment, suite and/or common areas of the building, and/or occupants may be required to enter into a mandatory cleaning contract. Charges will be divided among all students sharing responsibility for the applicable room or common areas (as determined by Residence Life staff), whenever individuals causing such damages or vandalism cannot be specifically identified.
5. All disputes between students in RISD Housing will be handled via the conduct process as outlined in the RISD Code of Student Conduct and Procedures found at <https://policies.risd.edu/student-life-policies/>. At no time will a student be forced to relocate or be removed from housing based solely on the complaints of another student. This is to protect the rights of all students. In situations where a student's actions may warrant relocation or removal from housing, those actions will be referred to Student Conduct and handled via the conduct process. If a student is removed from campus due to conduct, there will not be a refund for housing.
6. Solicitation in, or commercial use of, any part of the residence facilities or grounds by any person is strictly forbidden. Students shall not place any signs, or other advertising matter upon or in the windows, doors, hallways, or outside the building. No window displays are allowed.
7. The College is not liable for damage or loss of any student's personal property from any cause whatsoever. Students agree to insure, at their own expense, all personal property brought into any residential facility through renters or other insurance. We highly recommend that you obtain personal liability insurance and coverage for your personal property too. Personal liability coverage, sometimes referred to as personal liability insurance, protects you financially if you're responsible for damages or injuries to others. Personal property coverage protects your property in the event of theft, fire or weather-related loss to your property. Please visit the [RISD Residence Life Property Insurance](#) page for more details.
8. Housing charges for the period of this license are due at the same time as the term bill, and are payable at the Student Accounts Office or on-line through Student Accounts subject to the same conditions applying to the term bill.
